

# Continuing Nursing Education Accessible, Affordable, and Convenient.

ANCC's Institute for Credentialing Innovation produces a variety of continuing nursing education opportunities to fit your learning style, location, and schedule.

The American Nurses Credentialing Center (ANCC), a subsidiary of the American Nurses Association (ANA), provides individuals and organizations throughout the nursing profession with the resources they need to achieve practice excellence. ANCC's internationally renowned credentialing programs certify nurses in specialty practice areas; recognize healthcare organizations for promoting safe, positive work environments through the Magnet Recognition Program® and the Pathway to Excellence® Program; and accredit providers of continuing nursing education. In addition, ANCC's Institute for Credentialing Innovation provides leading-edge information and education services and products to support its core credentialing programs.
